EXPERIENCE

Executive Assistant & Accounts Support - *11/2024 – Present*
Ardent Ltd – Lagos

- Managed executive schedules, business workflows, and daily documentation to keep leadership operations highly organized.
- Tracked payments, logged expenses, and prepared investor receipts with a strong focus on data accuracy.
- Built and managed data tracking workflows using Google Forms to keep key information organized and easy to access.
- Reviewed and audited company documents and figures to catch errors and keep business records clean.

Researcher, Data Analyst & Academic Support Specialist - 03/2022 – 06/2026
Remote – Abia & Lagos

- Researched complex topics and condensed large amounts of information into clean, actionable business reports.
- Designed survey questionnaires and data-gathering tools to help teams map out practical project solutions.
- Managed institutional fee workflows and transaction records to ensure error-free daily processing.

Teacher - 11/2023 – 11/2024
Federal Government of Nigeria – NYSC, Our Lady of Apostles – Tafawa Balewa, Bauchi

- Taught primary students computer studies, mathematics, and general knowledge drills to build skills beyond the standard curriculum.
- Contributed to the Media and Environmental CDS groups before being elected as the general Community Development President.
- Led local charity initiatives, directed fundraising campaigns, and managed team logistics for community development projects.
- Supervised volunteers and community resources from start to finish to ensure all project goals met tight deadlines.

Sales Representative - 03/2018 – 03/2019
Globacom – Abia

- Executed direct-sales strategies across multiple territories to win new customers and boost regional sales.
- Handled client communication and customer feedback loops to secure repeat business and drive brand loyalty.
- Mapped out untapped local markets and took independent initiative to grow company reach.

EDUCATION

B.Sc. Accounting (ACC) – Sept '21
Abia State University (ABSU)
Second class (lower division)

REFERENCE

Hiradi Mibwala - 09057030261

PROJECTS & LEADERSHIP

General Secretary / Transport & Organization Secretary (TOSMAN) / Media Coordinator
NCCF – 4/2024 – 11/2024
Managed interstate program logistics, calculated total execution costs, and monitored market price shifts to ensure cost-effective purchasing and seamless event delivery.

Enroller WHO / Ministry of Health (Abia State) & NIPDs - *2024 – 2025*
Enrolled and deployed multiple five-member field teams within particular kindred in an LGA, audit-tracking their daily attendance to guarantee child immunization coverage while ensuring vaccine vials were used efficiently and stored strictly within the +2°C to +8°C cold chain requirements.

Project Volunteer *ABSACA Health Initiative – 2025*
Participated in the strategic distribution of safe-sex resources and public health education materials across local communities to reduce the widespread transmission of HIV/AIDS.

Team Lead & Capstone Project Developer – TS Academy AI & Automation | *2026*
Directed a 12-member team, building an automated restaurant workflow featuring a custom voice agent that autonomously logs orders, processes reservations, and tracks cancelled orders for targeted follow-ups to retain potential prospects.
